February 04, 2021

If you find your passion, or you find yourself hot on its trail, don't give it up. What if you know what you have a passion for but you don't do anything about it? This is the main problem with passion. You can have all the passion in the world for something but if you never do anything about it, that passion is useless.

How to Find Motivation When You're Totally Burnt Out

Feb 16, 2018

This isn’t a good way to learn how to find motivation because it prevents us from having any agency or creative point of view on our situation. If anything is going to change in our life, we have to always remember that we’re the heroes of our own story. Despite what circumstances come at us, our responses are 100% our responsibility.

Camping Guide
