Aspects of Rural Settlements and Rural Society in Early Medieval India

Helena Hamerow 2012-07-05 The first major synthesis of the evidence for Anglo-Saxon settlements from across England and throughout the Anglo-Saxon period, and a study of what it means for the assignment of meaning and value.

The Settlement Issue in Turkey and the Kurds

The English Peasantry and the Growth of Lordship

Industrialization and Urbanization in Japan. Considerations include population density and urbanization, environmental disruption, and Japan as a postindustrial society. The selection is a vital source of data for readers interested in the issues.

historical archaeology drove me to take several courses on the subject of rural settlement studies. These courses allowed me to place what I now knew to be houses, barns, mills, shieling (transhumance) settlements, rig-and-furrow cultivation, Highlands, close to Loch Lomond, it was not hard stumble across ruined buildings, old field boundaries, and other traces of everyday life in the past. This is an especially rich area of study for me, having drawn on detailed information from the coins, documents, and other materials uncovered at the excavation sites of the Yorkshire Dales, the Lake District, and northern Scotland. The Introduction analyses historiographical trends and focuses on problems and issues, and flowing from it the areas and nature of controversies as well as on related themes. The articles included here deal with the rural communities of north-west Europe.

Rural Settlements and Society in Early India

Chattopadhyay 2003-01-01 Land System and Rural Society in Early India highlights the growth and changing contours of landholding with regard to the agrarian history of Early India. The Papers cover the basic aspects of land use in the rural landscape, the structure of the land system in Early India, and the role of government in land use and land tenure.

Decentralisation And Rural Development In Bangladesh

Ashok Chandra Karmaker 1985 will be of great interest to individuals concerned with the effects of the modernization of agriculture on rural areas.

The Effect of Modern Agriculture on Rural Development

Records in the country and many other published and unpublished sources, to identify national and regional settlement patterns and forms, and settlement in relation to landscape in the eight regions. Two case studies illustrate the processes of residential settlement changes, and the direction and rate of change in settlements at the village, sub-village, and smallholding levels. The other volumes in the series Readings in Early Indian History relate to the rural communities of north-west Europe.
