**Estate Planning For Dummies** - N. Brian Caverly 2011-03-08 If you’re like most people, you want to be sure that, once you’ve passed on, no more of your property and money will be lost to the government than is absolutely necessary. You want to know that you’ll be leaving your heirs your assets and not your debts. You want to be absolutely certain that your will is shipshape, your insurance policies are structured properly, and that every conceivable hole in your estate plan has been filled. And most of all, you’d like to do all of this without driving yourself crazy trying to make sense of the complicated jargon, jumble of paperwork, and welter of state and federal laws involved in the estate planning process. Written by two estate planning pros, this simple, easy-to-use guide takes the pain out of planning for your ultimate financial future. In plain English, the authors walk you step-by-step through everything you need to know to: Put your estate into order Minimize estate taxes Write a proper will Deal with probate Set up trusts Make sure your insurance policies are structured properly Plan for special situations, like becoming incompetent and pet care Craft a solid estate plan and keep it up-to-date Don’t leave the final disposition of your estate up to chance and the whims of bureaucrats. Estate Planning For Dummies gives you the complete lowdown on: Figuring out what you’re really worth Mastering the basics of wills and probate Using will substitutes and dodging probate taxes Setting up protective trusts, charitable trusts, living trusts and more Making sense of state and federal inheritance taxes Avoiding the generation skipping transfer tax Minimizing all your estate-related taxes Estate planning for family businesses Creating a comprehensive estate plan Straightforward, reader-friendly, easy-to-use, Estate Planning For Dummies is the ultimate guide to planning your family’s future.

**How Probate Works** - Anthony S Park 2019-03-03 What Every Executor and Heir Needs to Know This easy-to-read guide answers all the questions every executor and heir should ask: Who starts the probate process? When is probate needed? And when can you avoid probate? Where should you probate an estate? Which Country? State? County? How long does probate take? How much does probate cost? What are letters testamentary? How to settle an estate How are estate debts paid? How to file final tax returns How to close an estate Why being an executor can be difficult How to choose the
best executor How executors should deal with common complaints from heirs What to expect when you're an heir Why being an heir can be frustrating

**Probate**-Gordon Bowley 2011-06-01 The majority of applications for probate that follow someone's death can be dealt with inexpensively by any reasonably intelligent person with time available and a little guidance. This easy-to-follow book clearly explains all the information you need to administer the deceased's estate; from dealing with the urgent practical matters to preparing and submitting the relevant forms, paying inheritance tax, and distributing the estate. You'll find specimen forms and letters and a list of useful addresses that will enable you to deal with it all yourself.

**Guide to Obtaining Probate**-Peter Wade 2009-10 This is a comprehensive guide to the process of dealing with probate and matters of wills and inheritance generally. It takes the form of providing key answers to questions which are most often raised and is aimed at the layperson.

**A Practical Guide to Obtaining Probate**-Peter Wade 2011-05 A concise and informative guide to the processes that underpin the practice of the administration of estates. The book is designed for those people who are involved in obtaining probate and acting as executor and who wish to understand more about this complex area. The book is fully updated to 2011. It also covers in detail: the duties of the executor, valuing the estate, obtaining probate, distributing the estate, paying all debts and carrying out terms of the will, a guide to inheritance tax and standard forms used in probate.

**A Step-by-step Guide to Wills and Probate**-Keith Biggs 2011-04-01 A Step-by-Step Guide to Wills and Probate explains how to write a simple will, and how to deal with the affairs of someone who has died. This new edition is completely revised and updated, and is written in plain language by authors who have many years’ experience in the probate offices. It explains when you can do things yourself and when you need a solicitor. The subjects covered include:• Making your will: why do it; how to do it; appointing executors, the different gifts that can be made; how to make sure the will is valid and will be put into effect; examples• Who may apply for probate: how to work out who, of the relatives and friends left behind, is the one to sort out a deceased person’s affairs. Who inherits if there is no will?• The estate: making sure that all the property and debts are found• Inheritance Tax: working out if tax has to be paid, how much, and the arrangements for paying it• Filling in the forms: essential paperwork, with examples. Will drafting/tax law/court forms and precedents updated to January 2011• Going to court: the procedure for visiting the probate registry to finalise paperwork• Administering the estate: collecting together the property; paying the debts, distributing the inheritances

"The book is written in easy-to-understand terms, with lots of good practical advice.", "I actually bought it to place in my file cabinet along with my Trust documents, Living Will and other documents", "We liked it so much, I bought this book for a friend who was handling a new estate." Acting as the executor, representative, or administrator of an estate is a complicated and time-consuming task, not only in an administrative sense but often in an emotional sense as well. The Executor's Handbook, Fourth Edition is a comprehensive guide for readers who need help understanding the basics of the procedures that settle an estate. In practical and straightforward language, it covers all aspects of estate administration, including funeral arrangements, organ donation, administering probate, dealing with the deceased's assets and liabilities, and personal representative's compensation. You will understand not only your responsibilities but the responsibilities of those who will be assisting you. Tables of state income tax rates, intestacy laws, and state-by-state probate requirements are also included, and a glossary, index, and list of recommended works complete this handbook.

**Probate and the Law**-Julie Peters 2005-09-01 A wide-ranging guide to the law as it affects all aspects of probate. The grant of probate can prove a
difficult area for most lay people and advisors and this book will prove to be an ideal step-by-step guide which should help people in the early stages of obtaining a grant of probate.

The **Everything Executor and Trustee Book** - Douglas D. Wilson
2014-01-08 Offers information for executors and trustees on carrying out the terms of a will or trust, including asset distribution, terminating existing accounts, opening an estate bank account, and closing the estate.

How to Settle a Simple Estate Without a Lawyer - Linda C. Ashar
2012-12-30 When a loved one dies, we want to know that their final wishes were carried out as they had hoped. Being entrusted to carry out these wishes is an enormous responsibility, and one you may not fully understand. The title of executor is given to those who have been named to administer a will and handle the specifics involved with settling an estate. Many times, a loved one dies before the executor has time to learn what the title entails. Sometimes, this title is given to family members who have little or no experience with taxes, inheritance law, and probate, leaving someone who is already grieving feeling overwhelmed and frustrated. Assuming they are not capable of performing these tasks alone, many people turn to an attorney to assist in the particulars, who in return charges them hefty fees. If you have been charged with serving as executor to a simple estate, How to Settle a Simple Estate Without a Lawyer can bring you up-to-date -- quickly -- on everything you need to know about wills, trusts, probate, taxes, and much more. This book will help you assess whether the estate under your control can be settled without an attorney. Estates that involve guardianship of a child and complex trusts may require the assistance of a lawyer. Before paying expensive attorney fees to settle a rather straightforward estate, allow this book to explain all the basics you need to know to tackle this project on your own, saving you thousands in the process. In this book, you will learn about identifying the different types of trusts -- such as charitable trusts, generation-skipping transfer trusts, living trusts, and totten trusts -- as well as taking the first steps as an executor, navigating the probate process, paying the debts of an estate, and distributing bequests. You will be provided with a complete dictionary of all terms relating to estates, a list of common mistakes that novice executors often make, and an array of resources available to you beyond a lawyer. This book will explain the duties you will perform as the executor, as well as how to set up a filing system for important documents involved with the estate, claim life insurance and social security benefits, read the will, manage assets and pay bills involved with the estate, and transfer property belonging to the estate. We spent hundreds of hours interviewing estate planning professionals and gathering information from novice executors, such as yourself, who share their tips and advice for successfully settling an estate without paying thousands. Settling a loved one's estate can be a taxing experience when also trying to cope with his or her passing, especially if the subject is foreign to you. Don't worsen the experience by throwing away your hard-earned money and hiring an attorney to settle a simple estate you can feasibly handle on your own.

A Straightforward Guide to Understanding and Controlling Inheritance Tax - David Marsh 2009-07-25 The perfect book for all those who need advice and guidance concerning the complicated area of inheritance tax. Clear, concise and intended for the layman, the guide points out steps that can be taken to reduce the inheritance tax bill. The guide is sensitively written by an expert in the field and comprehensively covers all the main areas associated with this often bewildering subject.

Probate Made Simple - Andrew Komarnyckj 2010-02-23 Dealing with probate comes at a difficult time when a stressful legal process is particularly unwelcome. Probate can certainly appear daunting in its complexity and can be expensive in solicitors' fees, but it is possible to simplify the process and minimise the cost by taking a logical approach. The essentials of probate work do not require special skill or expertise and it is therefore eminently feasible for most people without legal training to do the bulk of the work themselves. This means you can avoid paying expensive legal fees for select parts of the probate, making a saving of hundreds or even thousands of pounds. Probate Made Simple, written by a solicitor with over 15 years' experience in wills and probate, sets out the detailed and specific steps to follow in order to work on probate logically, ensuring that the reader completes everything in the the right order and at the right time.
and that no vital stages are overlooked. It also identifies areas of probate
where the advice and indemnity cover of a solicitor is beneficial. Where the
involvement of solicitors is necessary, essential inside information is
provided to help the reader negotiate realistic legal fees, no matter the level
of professional help required. Guidance on how to minimise and evaluate
solicitors’ quotes, and get the most out of legal professionals for less - with
breakdowns of what typical probate tasks involve, and what charging
methods solicitors employ - make the book an indispensable guide for
getting fair legal services. In addition to this, over thirty template letters are
provided as practical examples of the correct approach to follow when
contacting banks, insurance firms, beneficiaries of the will, solicitors and
others. Saving money on probate work in the simple ways outlined in this
book could make a real difference to your inheritance and to the sums
received by the other beneficiaries of a will. This is the book anyone going
through this potentially expensive, stressful and opaque process needs to
have to hand. Purchasers and potential purchasers of the book are
recommended to visit the author’s website at
www.willsprobateandmore.co.uk to make use of the free supplementary
information (available as PDF downloads) which is available to complement
the information provided in the book.

A Straightforward Guide to Savings and Investments-Anthony Vice
2009-07-25 Ideal for all those who need advice and guidance in the current economic climate concerning savings, investments and asset protection, this book is clear, concise and very much intended for the layman. It points out steps that can be taken to protect savings and capital values, and is sensitively written by an expert in the field. The book is comprehensive, covering all the main areas of investment in detail.

What to Do When Someone Dies-Nicci French 2021-06-22 In this ingenious stand-alone thriller from the internationally bestselling author and “razor sharp” master of suspense (People), a grieving wife is forced to ask: Which is worse—infidelity or murder? Ellie Falkner’s world has been destroyed. Her husband, Greg, died in a car crash—and he wasn’t alone. In the passenger seat was the body of Milena Livingstone, a woman Ellie’s never heard of. But Ellie refuses to leap to the obvious conclusion, despite the whispers and suspicions of those around her. Maybe it’s the grief, but Ellie has to find out who this woman was—and prove Greg wasn’t having an affair. And soon she is chillingly certain their deaths were no accident. Are Ellie’s accusations of murder her way of avoiding the truth about her marriage? Or does an even more sinister discovery await her?

Book of Estate Planning Questions and Answers-Albert C. Todd 2004-07 Writing in a question-and-answer format, Todd includes questions most frequently asked by clients during the course of his more than twenty-seven years of estate planning practice. Attorneys will benefit by providing the book as a reference for clients, while laypeople can use it as a preparation guide when seeking assistance from an estate planning lawyer.

Living Trusts for Everyone-Ronald Farrington Sharp 2010-04-27 The misconceptions surrounding the last will and testament need to be put to rest: Wills benefit lawyers. Trusts benefit you. Period. Too often lawyers sell wills to clients only to sit back and wait to sell their probate services to their client’s heirs. Modern estate planning should utilize the Living Trust as the effective, efficient, and inexpensive alternative to a will. Living Trusts for Everyone: Why a Will is Not the Way to Avoid Probate, Protect Heirs, and Settle explains why wills are not the best way to handle an estate and details the many advantages trusts have over wills in not only eliminating probate, but protecting your assets for your heirs. Anyone with minor children, disabled beneficiaries, blended families, or spendthrift heirs must have a trust to be sure the assets left behind are put to good use, and that your intentions are carried out. Lawyers may have vested interests in perpetuating the probate system, but this book will explain why legal services are not needed to do the clerical work in settling a trust after death. No legal jargon or confusing double-speak, just specific step-by-step instructions and sample form letters to settle a trust are included to take the mystery out of the process. This is not a do-it-yourself book and it doesn’t try to cram every type of trust onto its pages. Living Trusts for Everyone explains in specific terms what benefit a trust will have for you and gives you the tools to settle a loved one’s trust with no lawyers and no expense. For those who already have a trust, there is a list of what to look for to see if your trust is any good, or if it needs to be updated. Trust seminars are examined with warnings on what to look out for in setting up your trust. Everyone who cares about what happens to their assets at death should read Living Trusts for Everyone: Why a Will is Not the Way to Avoid Probate, Protect Heirs, and Settle! Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business and legal forms, business practices, and more. While we don’t aspire to publish a New York Times bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.

The Mom's Guide to Wills & Estate Planning-Liza Hanks 2009 Presents a comprehensive guide on understanding and preparing wills and trusts for parents of young children, describing the process of selecting a guardian, buying life insurance, designating powers of attorney, and choosing beneficiaries.
What To Do When Someone Dies - A Simple Guide for Executors to Settle an Estate Including Funeral, Tax and Probate Tips
