Characteristics of Effective Counseling and Counselors
Dec 06, 2021 · The most important assumptions a counselor can bring to non-directive therapy are that humans are fundamentally good, that they desire healing and positive change, and that they have what they need within themselves to change their self-concept, attitudes, and behaviors (Rogers, 1961).

Coaching professional / Institute for Apprenticeships and Coaching
A leadership style is a leader's method of providing direction, implementing the solution or plan for improvement (junior center), junior is encouraged to talk, to be trouble free, and to have a clear mind while the senior helps the junior, mostly by listening (PDF) Coaching Skills Principles of Coaching | amr fouda
Coaching and Training The ways in which the coaching and training roles approach learning are quite different. Training is principally directive: it is used to develop skills and instill a certain level of understanding. Coaching is non-directive or facilitative, where the coach helps the client to learn, to explore, and to develop their own insights and solutions. (PDF) COUNSELING APPROACHES - ResearchGate
