Right here, we have countless book prototypes of all humanity and their story is the story of life itself. Mann has taken one of the great simple chronicles of literature and filled it with psychological scope and range: its men and women are not remote figures in the Book of Death and Disease, the importance of work, the individual’s complex relations with his society and the dominant culture. These themes are developed in a series of brilliant stories, many of them very short and displaying the author’s talent for creating, and altering, complex worlds. . . . One always senses an enthusiastic and abundantly talented and versatile writer at work.”—The Washington Post Book World

“Duncan . . . tells the larger story of an entire popular culture struggling to create, and alter, complex worlds. . . . One always senses an enthusiastic and abundantly talented and versatile writer at work.”—The Washington Post Book World

Edward Hoagland

Looking for Trouble: A Halfway Homeless American’s Search for Reality

—Edward Hoagland 1974

Review of Looking for Trouble: A Halfway Homeless American’s Search for Reality by Edward Hoagland. The reviewer discusses Hoagland’s journey from comfort to homelessness and how he navigates the challenges of living on the streets. The book provides insights into the experiences of the homeless and the issues they face.

“Looking for Trouble: A Halfway Homeless American’s Search for Reality” by Edward Hoagland is a poignant and eye-opening account of the author’s journey into homelessness. Through his own experiences, Hoagland explores the complexities of life on the streets and the daily struggles faced by those who are homeless. The book serves as a powerful reminder of the importance of empathy, understanding, and compassion in our society.

Edward Hoagland is a well-known writer and journalist, known for his work on various topics including the environment, politics, and social issues. In “Looking for Trouble,” he shares his own story of falling into homelessness, providing readers with a unique perspective on the challenges faced by those who are homeless.

Through his experiences, Hoagland highlights the importance of empathy and understanding in addressing the issues faced by the homeless. He also discusses the complex factors that contribute to homelessness, including economic disparities, lack of affordable housing, and systemic issues.

The book is a thought-provoking read that challenges readers to consider the societal factors that contribute to homelessness and the importance of working towards solutions. Hoagland’s writing is engaging and compelling, making the story of his own journey into homelessness relatable and impactful.

Overall, “Looking for Trouble: A Halfway Homeless American’s Search for Reality” is a must-read for anyone interested in understanding the complexities of homelessness and the need for greater empathy and support for those who are homeless. It is a powerful reminder of the need for social change and a call to action for everyone to do their part in creating a more just and equitable society.

**What is the purpose of the review?**
