Yellow tea - Wikipedia

It is an increasingly rare and expensive variety of tea.: 58 The process for making yellow tea is similar to that of green but with an added step of encasing [further explanation needed] and steaming the tea. This allows the tea to oxidize at a slow rate for a short period before the tea is heated fully to denature the oxidizing enzymes, producing a far more mellow taste than

is ...

Terroir - Wikipedia

Terroir (/ t ɛ ' r w ɑ : r /, French: ; from terre, "land") is a French term used to describe the environmental factors that affect a crop's phenotype, including unique environment contexts, farming practices and a crop's specific growth habitat. Collectively, these contextual characteristics are said to have a character; terroir also refers to this
