Conspiracies Uncovered: Lee Mellor 2020

Entertainingly written and closely documented, the book provides each cover-up with a plausibility rating. Uncover why the Titanic sank, ponder the sinister reasons behind the "official" story, including police carelessness, legal misconduct, and potential surveillance by intelligence agents. When a tense interview with Vincent O'Neill was reporting a magazine piece about the murders, he worried there was nothing new to say. But twenty years ago, when journalist Tom O'Neill was reporting a magazine piece about the murders, he worried there was nothing new to say.

The Beliefnet® Guide to Kabbalah - Arthur Goldwag 2007

This lively, easy-to-follow guide to Kabbalah introduces the ancient Jewish mystical tradition that has captured the interest of Hollywood stars and the general public alike. With references to the Bible, Plato, Sigmund Freud, and the便士, it explores the history, origins and beliefs that have made Kabbalah a phenomenon of the modern age.

Chaos Theory (O'Hare 2019) - Fritz Springmeier 2019-03-04

The iLLamanati has emerged from hidden places of the Earth to shed light on the dark side of human endeavors by collating and publishing literature on the secrets of the Illuminati. Representing the Grand Llama, an omniscient, extradimensional light being who can channel his message through our Vice-Admiral, Captain Space Kitten, the iLLamanati is organized around a cast of interstellar characters who have arrived on Earth to wage a battle against you.

Conspiracies Uncovered: Lee Mellor 2020

Sufficient evidence has been discovered to implicate the Illuminati in a myriad of criminal acts, from the assassination of President Kennedy to the 9/11 attacks. This book presents the evidence in a compelling, easy-to-follow format, revealing the surprising truths behind some and the bizarre inspirations for others.

Enter a hidden world of mysteries, scandals, secrets, and lies. Perhaps the human nature to believe there is more to what we see than what we see is innate. Conspiracies Uncovered delves into some of the most provocative theories, from the "Aliens in the Iron Cabin" to the many legends, discounting the evidence for and against each one, revealing the surprising truths behind some and the bizarre inspirations for others.
