The Real History of Secret Societies

Richard B. Spencer 2019-06-12

Secret Societies of the Civil War

Mark A. LAUZ 2011-12-01

This unique history of the Civil War considers the impact of nineteenth-century American secret societies on the path to as well as the course of the war. Beginning with the European secret societies that laid the groundwork for freemasonry in the United States, Mark A. Lauz analyzes how the Old World’s traditions influenced various underground groups and movements in America, particularly George Liepmann’s Brotherhood of the Union, an American attempt to replicate the political secret societies that influenced the European Revolutions of 1848. Lauz traces the Brotherhood’s various manifestations, including the Knights of the Golden Circle (out of which developed the Ku Klux Klan), and the Confederate secret societies through which John Wilkes Booth and others attempted to undermine the Union. This book shows how, in the years leading up to the Civil War, these clandestine organizations exasperated existing sectional tensions and may have played a part in key events such as John Brown’s raid on Harpers Ferry, Lincoln’s election, and the Southern secession process of 1860-1861.

Secret Societies of America’s Elite

Steven Sora 2013-02-24

An expose of the dark and critical role secret societies play within the ruling families in America and their influence on American democracy, current events, and world history. • Reveals the enormous influence secret societies have on American culture. • Shows how the Freemasons, Knights Templar, and Rosicrucians affected the course of the French and American Revolutions as well as the overthrow of the feudal medieval order. Inevitably the ideas and esoteric practices of these societies have, at times, been perverted by self-serving individuals. The Nazis and the Bolsheviks, British security forces, the founding fathers of the United States, and all political and military leaders of our country have all practiced the secret order of the Freemasons, Knights Templar, and Rosicrucians. It’s time to wake up and face the truth of our society. Many of history’s most influential people participated in Freemasonry, the Knights Templar, and Rosicrucians which was founded in the French and American Revolutions.

Secret Societies

Michael Howard 2007-12-05

An overview of how esoteric brotherhoods have shaped history. Examines the secret chronology and clandestine societies of world history, showing how secret societies feed into one another, and how they have worked together. For thousands of years, societies—guardians of ancient esoteric wisdom—have exercised a significant influence on the destiny of nations. Through the lenses of history and myth, this book reveals how groups such as the Illuminati, the Freemasons, and the Knights Templar have infiltrated the ruling classes of the world, and the role they have played in world events.

Secrets and Skulls

David Alan Richards 2007-09-05

The mysterious, highly influential hidden world of Yale’s secret societies is revealed in a definitive and scholarly book. Secrets and Skulls shows how elite societies feed into one another, and how they have worked together. For thousands of years, societies—guardians of ancient esoteric wisdom—have exercised a powerful influence on the destiny of nations. Through the lenses of history and myth, this book reveals how groups such as the Illuminati, the Freemasons, and the Knights Templar have infiltrated the ruling classes of the world, and the role they have played in world events.

The Secret History of the World

Jonathan Black 2013-05-30

In this epic tale of intrigue and history, a retired spy uncovers the world’s most closely guarded secrets. The story begins in 19th-century London, when a Russian agent managing the secret operations of the Illuminati contacts Henry Jack, a young British aristocrat and former army officer with a gift for languages and a talent for the truth. The two men are drawn into a plot to discover the epicenter of the opposing secret societies. Jack’s career as a spy begins in earnest when he is appointed to the secret society of the Illuminati. As he becomes involved in the Illuminati’s activities, Jack becomes aware of the dangers that lie ahead. He must use his intelligence and resourcefulness to uncover the secrets that could change the course of history.

The Most Evil Secret Societies

Shelly Klein 2011-03-09

This book examines the influence of some of the most notorious secret societies on world events. The most evil secret societies, such as the Illuminati, the Knights Templar, and the Freemasons, have been involved in some of the most significant events in history. This book looks at the history of these secret societies, their influence on political and social events, and their impact on global politics. It also examines the role of these societies in the rise of totalitarian regimes and the spread of totalitarian ideologies. The book concludes with a discussion of the importance of understanding the role of secret societies in shaping world events.

A Brief History of Secret Societies

David V. Barnett 2007-09-05

The hidden powers of clandestine organizations are explored in this history of our desire for secret knowledge and of the societies that preserve it. Secret Societies of America’s Elite—Steven Sora 2003-02-24

This book reveals the enormous influence secret societies have on American culture. It shows how the Freemasons, Knights Templar, and Rosicrucians affected the course of the French and American Revolutions as well as the overthrow of the feudal medieval order. Inevitably, the ideas and esoteric practices of these societies have, at times, been perverted by self-serving individuals. The Nazis and the Bolsheviks, British security forces, the founding fathers of the United States, and all political and military leaders of our country have all practiced the secret order of the Freemasons, Knights Templar, and Rosicrucians which was founded in the French and American Revolutions of 1848. Lauz traces the Brotherhood’s various manifestations, including the Knights of the Golden Circle (out of which developed the Ku Klux Klan), and the Confederate secret societies through which John Wilkes Booth and others attempted to undermine the Union. This book shows how, in the years leading up to the Civil War, these clandestine organizations exasperated existing sectional tensions and may have played a part in key events such as John Brown’s raid on Harpers Ferry, Lincoln’s election, and the Southern secession process of 1860-1861.

The Secret Societies—Kenneth Knight 2014-06-04

While there have been articles and books on some of those societies, there has never been a scholarly history of the Freemasons, Knights Templar, and Rosicrucians. It’s time to wake up and face the truth of our society. Many of history’s most influential people participated in Freemasonry, the Knights Templar, and Rosicrucians which was founded in the French and American Revolutions.

Cults, Conspiracies, and Secret Societies

Arthur Goldwag 2009-08-11

Did you know? • Freemasonry’s first American lodge included a young Benjamin Franklin among its members. • The Knights Templar began as impoverished war-worn monks then evolved into bankers. • Green Lake, Dreamland, Homey Airport, Paradise Ranch, the Farm, Waco, Wimberley Strip, Red Box, “B,” are all names for Area 51. An indispensable guide, Cults, Conspiracies, and Secret Societies connects the dots and sets the record straight on a host of mystery pyramids, murder mysteries, esoteric cabals and suspicious coincidences. Some topics are familiar—the Kennedy assassination, the Rosenberg trial, the Illuminati, the People’s Temple and Heaven’s Gate—and some surprising, like Quipu, a select group of intellectuals who created crucial artifacts for creating literary masterpieces, and the Chauvinists, an eighteenth-century society of French home invaders, who set fire to their victims’ feet.

The Illuminati

Jim Marrs 2017-05-22

This gripping account of the Illuminati is a deep dive into the origins, history, members, and workings of this secret society. Marrs traces the Illuminati’s origins back to the eighteenth century and explores their influence on world history, from their involvement in the French Revolution to their role in the rise of totalitarian regimes in the twentieth century. Marrs also examines the Illuminati’s impact on modern politics, including their influence on American presidents and their connections to the Bilderberg Group, the Council on Foreign Relations, and other Bilderberg organizations. The Illuminati is a thrilling account of one of history’s most mysterious and powerful secret societies.

Conspiracy Theories and Secret Societies For Dummies provides a comprehensive guide to the world of hidden agendas and secret societies. This book is designed for those who are curious about the mysteries of the past and present, and the hidden forces that shape our world. With over 200 pages of information, it covers a wide range of topics, from ancient mysteries to contemporary conspiracies. Whether you're a beginner or an expert, you'll find something of interest in this book. This is a must-read for anyone who wants to learn more about the hidden structures that govern society.

Secret Societies: The Complete Dossier examines the most common subjects among conspiracy theorists, from historical topics such as the relationship between hundreds of individuals, organizations, and events where official claims and standard explanations of actions and events remain shrouded in mystery. Conspiracies and the Secret Societies of All Ages and Countries define the modern age of politics. But there is a progressive side to Yale's secret societies that we rarely hear about, one that, in the cultural tumult of the nineteen-

The Illuminati: The History of One of the World's Most Notorious Secret Societies examines the true history of the influential fellowship, its mastermind, and the secret societies of the mind. This book looks at the fate of the Illuminati in the modern age, from the ludicrous to the disconcertingly real. It reveals the evidence surrounding each cipher, describes the efforts to decipher it, and invites readers to try their hand at puzzles and codes. The book is a must-read for anyone interested in the history of secret societies and the secrets they hide.

Theieri The Freemasons: Jacob Gridley 2001 provides an in-depth history of Freemasonry, examining the inner workings of the powerful secret society. It reveals the most important roles played by the society, including its influence on modern politics. This book is a must-read for anyone interested in the history of Freemasonry and its impact on society.

Conspiracy Theories and Secret Societies For Dummies provides an in-depth history of Freemasonry, exploring the inner workings of the powerful secret society. This book reveals the most important roles played by the society, including its influence on modern politics. It is a must-read for anyone interested in the history of Freemasonry and its impact on society.
Elector when he became aware of the extent to which it had infiltrated the courts, schools, and his own administration. Charting the rise and fall of this infamous Order, this book first published in French in 1915 and never before available in English remains the definitive history of the order of the Bavarian Illuminati and their founder, Adam Weishaupt. Many of the documents the author consulted for the writing of this book were destroyed during the two World Wars, making this book the only surviving record of many of the order's secrets. It is also significant for its history of contemporary Masonic Orders such as the Templar Strict Observance and Von Hund’s Templar Freemasonry. The author explains the Bavarian Illuminati’s grades, rituals, and ceremonies as well as its fundamental philosophies. He examines the leaders of the Order, including Weishaupt, Baron Knigge, and Xavier von Zwick. He reveals how Weishaupt early on decided to subvert the existing German Freemason Lodge as a shortcut to gain esoteric hegemony over the occult world, all in order to extend Illuminati influence into the society at large and the government. The author also provides extensive detail of the Order’s eventual destruction by the Bavarian government. In addition to its revelation of little known secrets of the Illuminati Order, the author also sheds new light on much of the occult life of this time, including the activities of figures such as Cagliostro and Mirabeau and other active groups such as Freemason chapters, the Rosicrucians, and the Martinists.

**The Secret Society of Moses**
Flavio Barbiero 2010-01-19
A radical reexamination of Western history that suggests the descendants of Moses were the architects of the rise of the Roman Church and the ancestors of European aristocracy • Answers the inexplicable disappearance of all mention of Moses’s descendants from the Bible • Reveals the key rôle played by Josephus Flavius in shaping early Christianity • Explains the connection of this secret priesthood to modern secret societies like the Freemasons After the book of Exodus, Moses’s two sons and numerous descendants all vanish from the Bible. Flavio Barbiero’s investigation of this strange absence and his study of the centuries-long power struggle between the priestly families fighting for control of the Temple of Jerusalem starts with the rebellion against Rome—and the emergence of Josephus Flavius, one of Moses’s descendants, on the world stage. In AD 70 when the Temple in Jerusalem was destroyed by Titus Flavius and thousands of Jewish priests were exterminated, Josephus, now bearing his sponsor’s last name, followed Titus Flavius to Rome with at least 250 relatives and friends. Here they were made Roman citizens but then subsequently disappeared from recorded history. Barbiero’s careful study of early Christianity shows, however, that these surviving members of Moses’s high-priest lineage succeeded in taking control of the nascent Roman Church and masterminded its extraordinary success. Using a wide range of evidence drawn from fields as disparate as archaeology, heraldry, and genetics, Barbiero shows how these descendants of Moses used the cult of Mithras to eventually seize control of the secular Roman authority as well. He then follows, step by step, the spread of the members of this secret priestly elite into what was to become the aristocracy of medieval Europe and how their influence continues to be felt in modern secret societies like Freemasonry.

**The Power of Ritual in Prehistory**
Brian Hayden 2018-09-13
Secret societies in tribal societies turn out to be key to understanding the origins of social inequalities and state religions.

**Born in Blood**
John J. Robinson 2009-09-15
Its mysterious symbols and rituals had been used in secret for centuries before Freemasonry revealed itself in 1717. But where had this powerful organization come from and why had Freemasonry been attacked by the Roman Catholic Church? Robinson answers these questions and more.
