As an accomplished, adventuresome, and an engagingly knowledgeable young woman, Rehana Haque is the paragon for the party she will host for her son and daughter. But this is 1971 in Dhaka, Bangladesh, and the party is taking place the day that the treaty is signed and Bangladesh gained their independence. Hard-hitting and intensely compassionate, A Golden Age is a tale of hard-won hopes and dreams, despair and joy, love and terror and lust and amazement that resolves itself here, warts and all, in a kind of crystalline Mozartean clarity of vision. —Elle

In the summer of 1971, the nation of Bangladesh is founded in a war that will finally end British rule. The war is brutal and bloody, and the liberation of Bangladesh brings both joy and devastation to the people of the nation. Rehana Haque, a young widow, is blissfully preparing for the party she will host for her son and daughter.
