**Western Sandpiper | Audubon Field Guide**
A close relative of the Semipalmated Sandpiper. Western Sandpipers nest mostly in Alaska and migrate mostly along the Pacific Coast, but many reach the Atlantic Coast in fall and remain through the winter. Of the various dull gray sandpipers to be found commonly on coastal beaches in winter, Western is the smallest.

**Western Bluebird | Audubon Field Guide**
In partly open terrain of the west, from valley farms and orchards to clearings in mountain pine forest, this bluebird is often common. In summer it is often seen perching alone on fence wires by open meadows, fluttering down to pluck insects from the grass. In winter, small flocks of Western Bluebirds are often heard flying overhead or seen feeding on berries in trees.

**Field guide - Wikipedia**
A field guide is a book designed to help the reader identify wildlife (flora or fauna) or other objects of natural occurrence (e.g. rocks and minerals). It is generally designed to be brought into the "field" or local area where such objects exist to help distinguish between similar objects. Field guides are often designed to help users distinguish animals and plants that may be similar in

Bird Identification Guide » Bird Watcher's Digest
Identifying birds is at the very heart of bird watching. Each bird encountered is like a little puzzle or mystery to solve, because, while birds of a single species all share a certain set of physical traits, no two individual birds, like no two individual humans, are exactly alike.

Crosley Field - Wikipedia
Crosley Field was a Major League Baseball park in Cincinnati, Ohio. It was the home field of the National League’s Cincinnati Reds from 1912 through June 24, 1970, and the original Cincinnati Bengals football team, members of the second (1937) and third American Football League (1940–41). It was not the original home of the current NFL franchise of the same name: the ...
